All prices are per ticket

Administrative expense fees are determined by the exchange rate of the Danish currency, the Krone (DKK) such as it was on 1st January 2020. Fees for other currencies will be adjusted if the exchange rate changes by +/- 5 %

Tickets will be invoiced at TPE's purchase price, meaning the gross price minus any directly referable discounts etc. obtained by TPE. However, any liability fees, credit card fees, GDS fees, ticket issuing- and cancellation fees, and any ticket collection fees will be added to the invoice.

All not directly referable discounts, commissions, bonuses etc. will be accumulated at TPE and will be distributed to the member companies at least once a year in arrears in proportion to each member company's percentage of the accumulated discounts, commissions, bonuses etc. Payout will take place on an ongoing basis as distribution happens. All prices are per ticket
